

## Dolphin supreme M3

Recommended for pools up to 10 m (36 ft) in length.

Cleans pool floor and cove.

Maytronics designed the Dolphin to provide you with hours of enjoyment in a clean, pure and hygienic pool.

Using the Dolphin in your pool will:

- Save water and energy.
- Help to prevent germination of algae and bacteria.
- Reduce the number of required backwashes.

**Dolphin Supreme M3 features and benefits:**

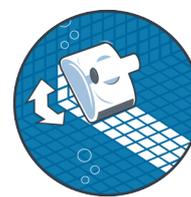

- Brushes, Scrubs and Filters.
- Efficient scanning and cleaning performance.
- Self contained filter bag collects dirt and debris.
- Autonomous unit – no pre-installation needed, no connections to pool systems.
- Swivel on cable prevents cable tangling.
- Small, light weight and easy to handle.
- DIY - easy maintenance at user and local dealer level.
- Low voltage – low energy consumption.
- Automatic shut off at end of cycle time.
- Obstacle escape.
- Motor protection mechanism in case of over load and out of water.
- Suitable for beach entry pools.
- 24 Months Warranty.
