

TRANSVERSAL GRATING

Transversal grating

Clicking with cable (49 units per metre)

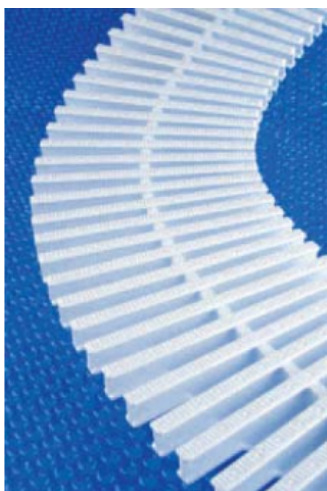

Code	h	Channel width (L)	Grating width (L1)
00212	22	200	195
00213	22	250	245

Transversal grating tiles

Snap together on central spine allowing for flexibility between tiles (5 units = 0.975 m)

Code	h	Channel width (L)	Grating width (L1)
00217	22	250	245
00218	22	300	295
00219	22	340	335

Transversal grating for curves

Snap together on central spine allowing for flexibility between tiles (45 units per metre)

Code	h	Channel width (L)	Grating width (L1)
11107	22	200	195
11108	22	250	245
19202	22	300	295
19203	22	340	335
